Endorsement of Amala Consulting (www.amalaconsulting.com)

It is our absolute pleasure to recommend Amala Consulting for Grant Writing and Fund Development services. Since the beginning of 2017, Amala Consulting has provided our company with direct assistance in identifying the right opportunities, outlining and streamlining our grant funding proposals and completing the submissions. In the last application, Amala has also been instrumental in making valuable university connections and helping to establish a collaboration framework. Having that type of support to a small businesses such as ours is simply invaluable. We believe their assistance has increased the quality and likelihood of success for our grant submissions.

We have thoroughly enjoyed working with the Amala Team. Having collaborated closely with Erin Lennox in particular, we came to know her as a truly valuable asset to absolutely any team. She is a knowledgeable, dependable, and an incredibly hard-working professional, who can untangle the most complex processes. Beyond that, she is an impressive communicator and business connector who is always bringing in clarity to complex issues and providing best ways to link up with potential collaborators for business innovation proposals. Amala's knowledge of the grant writing process and their expertise in small business innovation was a huge advantage to our company. Putting Amala's skillset to work guaranteed our timely, quality applications.

Without a doubt, we confidently recommend Amala Consulting to any business or academic institution seeking to apply for grants, as their Team's dedication and knowledge will make the process an all-around efficient, successful and pleasant experience. Please feel free to contact us should you like to discuss our experience with Amala further. We would be happy to expand on our endorsement.
